

COMET

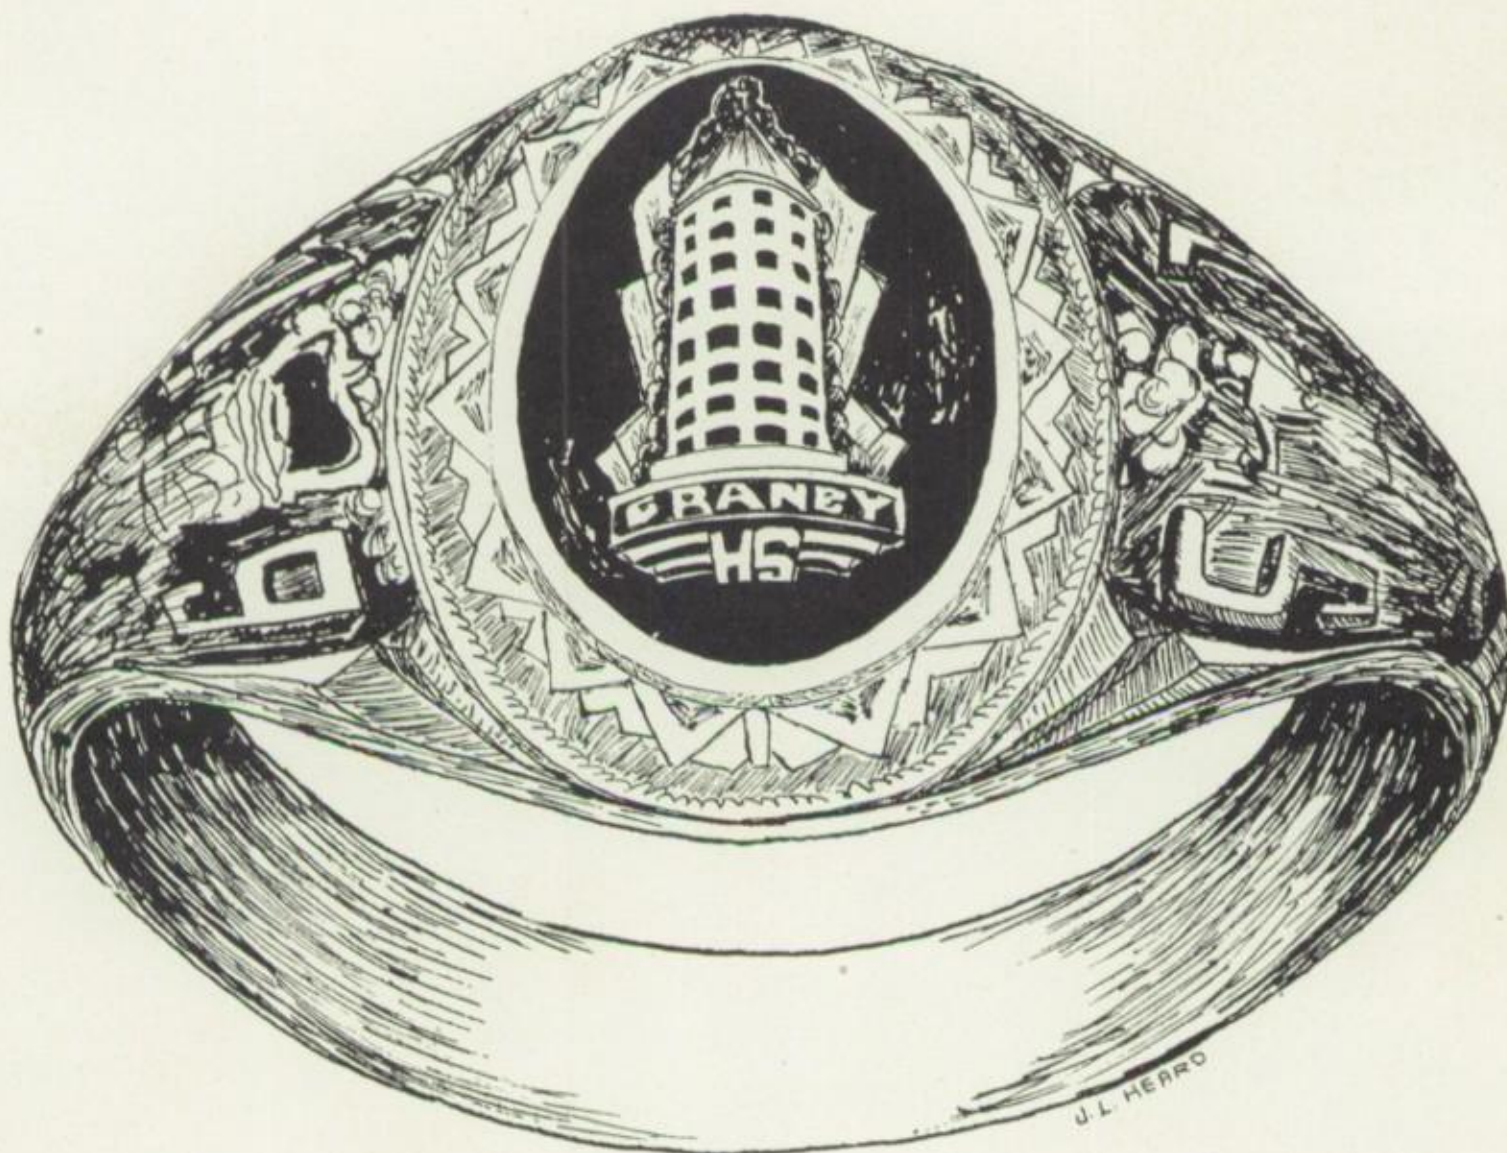

1957

Florence Parkside

Our school ring, the emblem of Granby's highest ideals, we the students wear with pride. As the pages of this yearbook unfold, we shall all realize more and more our ring's significance and its enriching influence in our lives.

Foreword

Constantly Granby is expanding and adding conveniences to make school days easier. This year you have witnessed several changes in the appearance of your school.

The new gym annex features a large gymnasium, and auxiliary gym, and three health classrooms. Because of this new section, the library has moved into the vacant gym, and the art classes have acquired the space formerly occupied by the library.

The addition to the lunchroom, offering four lunch counters, has relieved the congestion,

and now the student body may eat lunch to the music played by W.G.H.S., your own radio station.

But Granby is changing in other ways also. The student body—you—is building for your school a reputation that will last for years to come.

We, the staff of the 1957 COMET have recorded these events in your yearbook in the sincere hope that they will be a permanent record of your happy hours at Granby.

Dedication

Raymond S. Casey

What is one of the services rendered by the faculty that is most important to the student body? Selling tickets to the different sports events, of course, and although it is a thankless job, there is a member of our faculty who has sold tickets for many years.

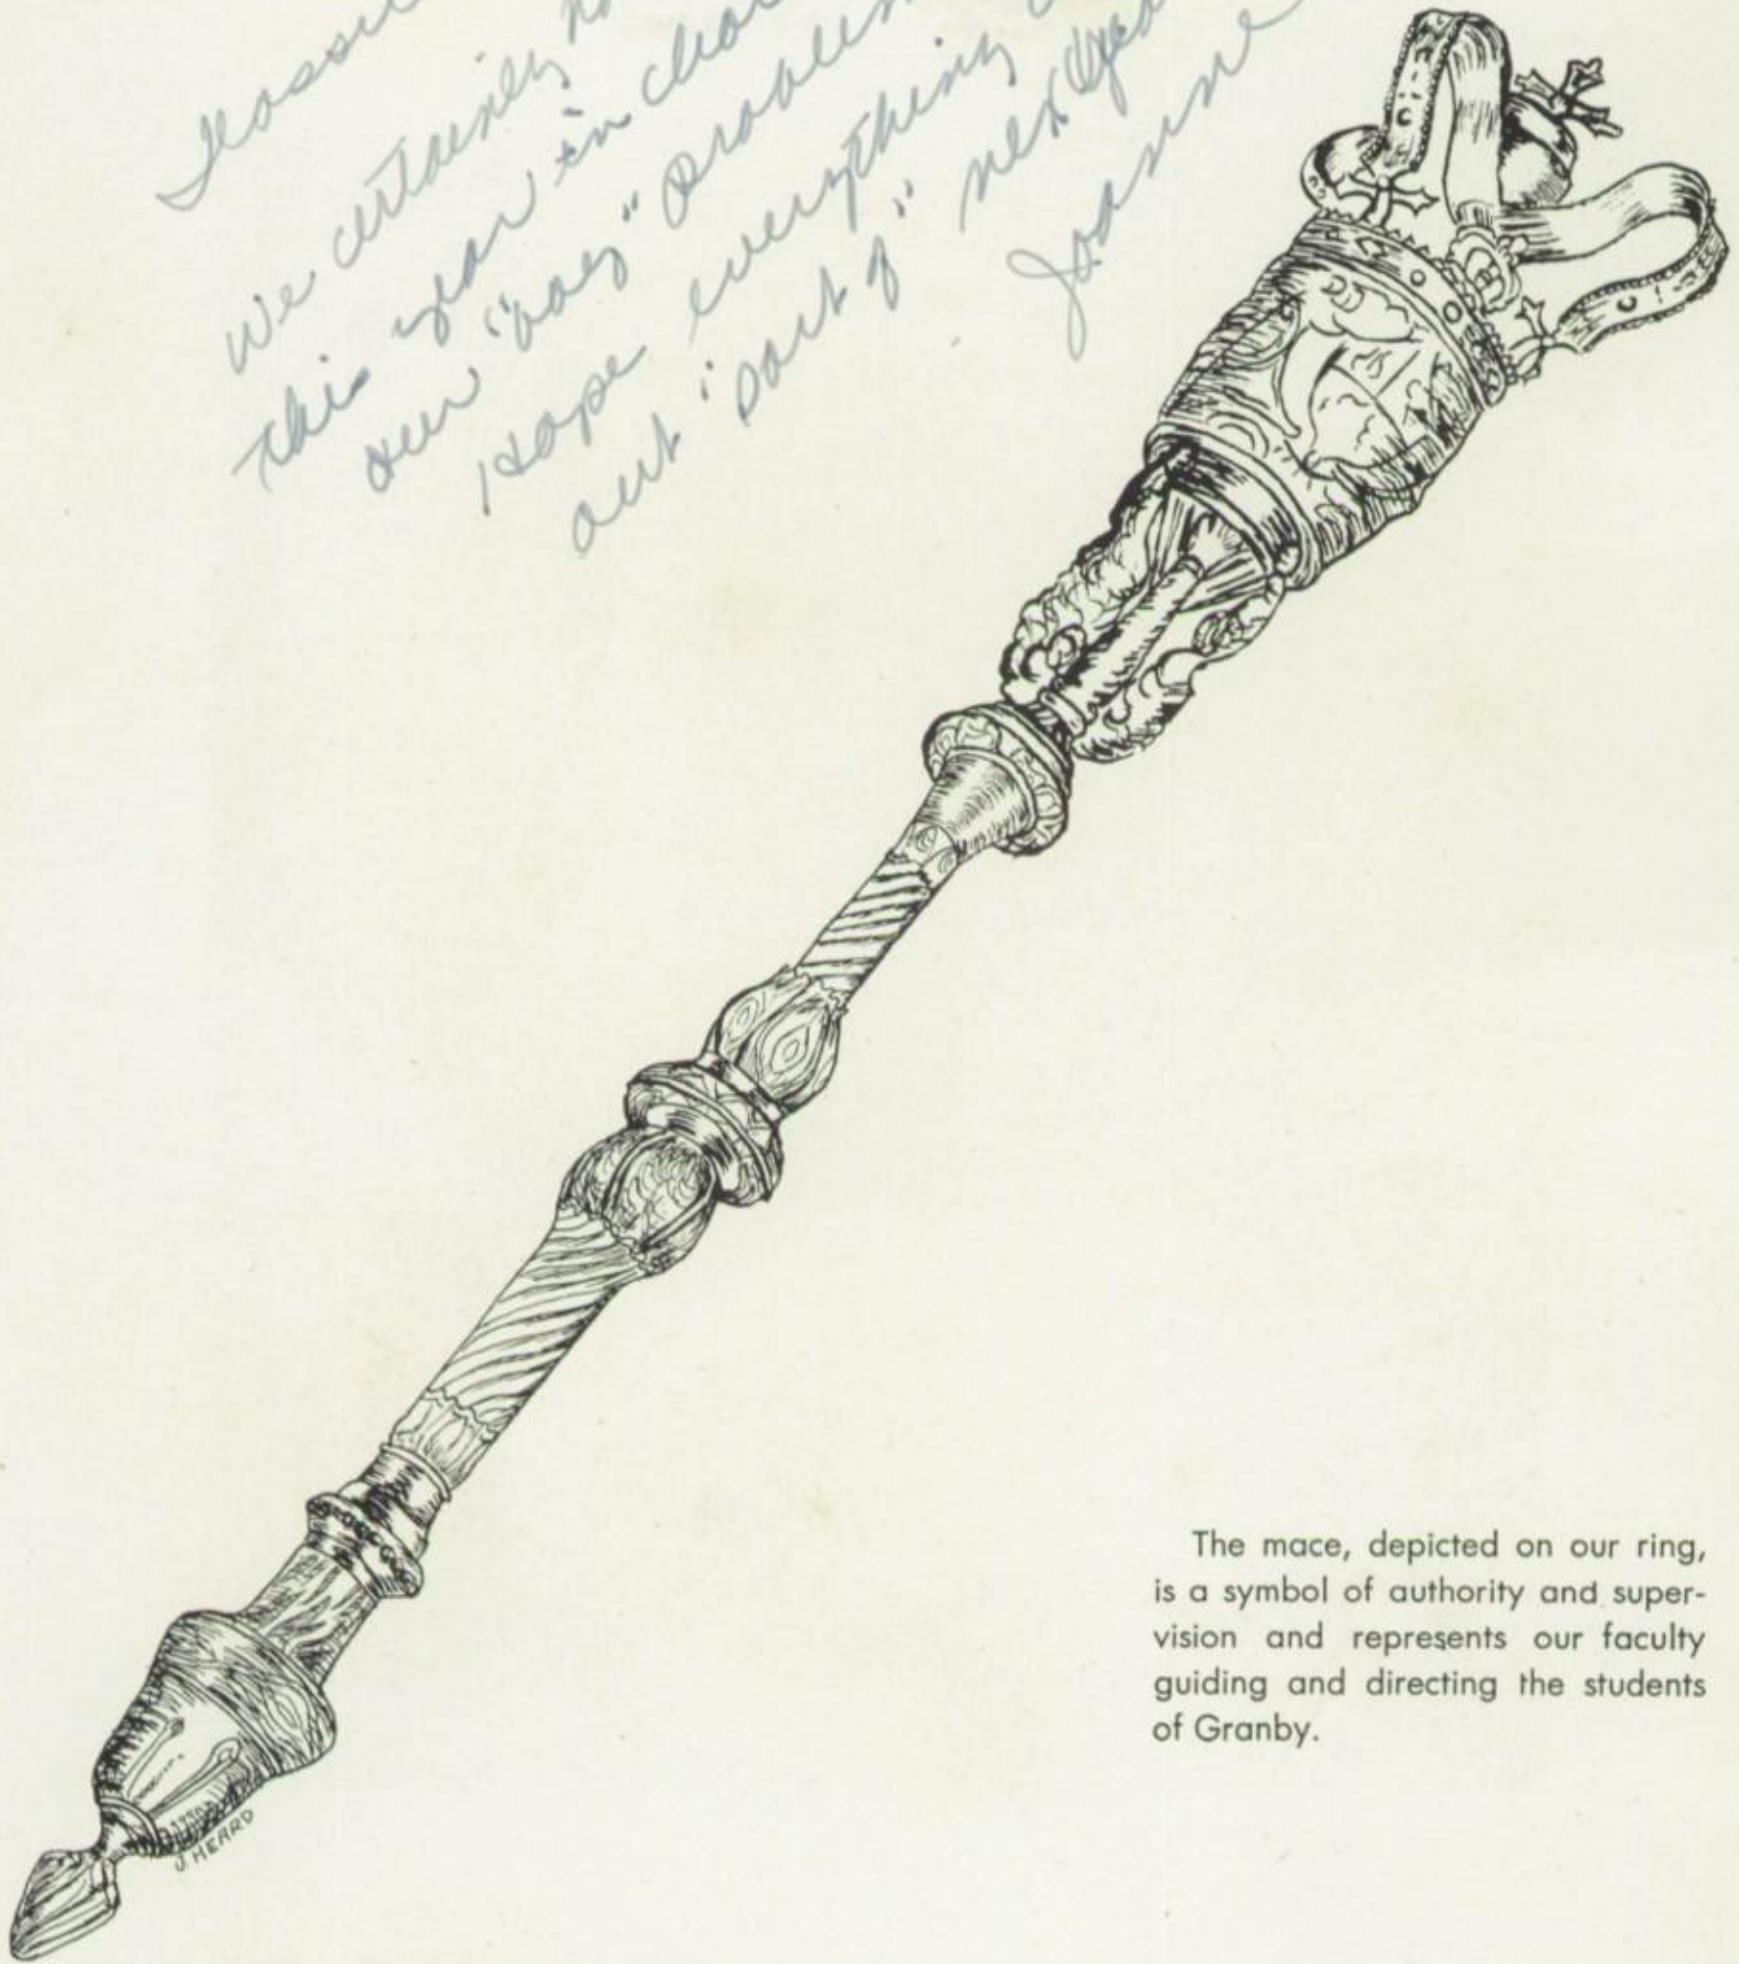

In addition, he is also athletic director. Serving in this capacity, his responsibilities are numerous. Not only does he have to check the eligibility of all candidates for sports and supervise all sports equipment, but he must

also schedule the games, aid with publicity, and provide transportation for members of the team.

Many safe drivers who have graduated from Granby will long remember their first lessons with this capable instructor in the Driver Training Course.

For all his contributions to us and to Granby, we, the class of 1957, proudly dedicate our book to Mr. Raymond S. Casey.

Joanne
 we certainly have had fun
 this year in class + all
 our "bad" problems
 I hope everything works
 out "part 2" next year
 Joanne

The mace, depicted on our ring,
 is a symbol of authority and super-
 vision and represents our faculty
 guiding and directing the students
 of Granby.

Old Gym- New Gym

Last year the area behind the old gym was a mass of wire, beams, and concrete. Summer transformed this area into a new, modern gymnasium. The facilities offered in this new wing makes its delay in completion worthwhile.

Working Together

Faculty and students work with and for each other, not always in ways that are obvious.

On this page, from top to bottom:

On senior day, seniors teach classes.

The original Kenneth Harris watercolor in our new library was given by the 1956 senior class.

These students are not working alone, Mr. Best is nearby.

Mr. Smith, Mr. Minter, and Mr. Casey discussing features of the new gym with one of the builders.

On the opposite page:

A library runs on paperwork, as Mr. Braun knows.

Students register for classes with Miss Mitchell.

Mr. Maguschak sees that the work is right.

Principals and coaches discuss prospects for the season over a cooling drink.

Members of the physical education staff wait for students to sign for classes.

Miss Balasca tells parents about classroom work.

Student Assistants

Many of the tasks that keep our school functioning smoothly would never be done so quietly and efficiently if it were not for student assistants. These students give generously

of their time and effort, very often with little reward but the thanks of the teacher they are assisting and the knowledge of a job well done.

January Seniors lined up for the Recessional.

Rusty Fentress and Duke Daly help Phil Williamson to keep our lunchroom clean.

Hard at work are our Senior Class members.

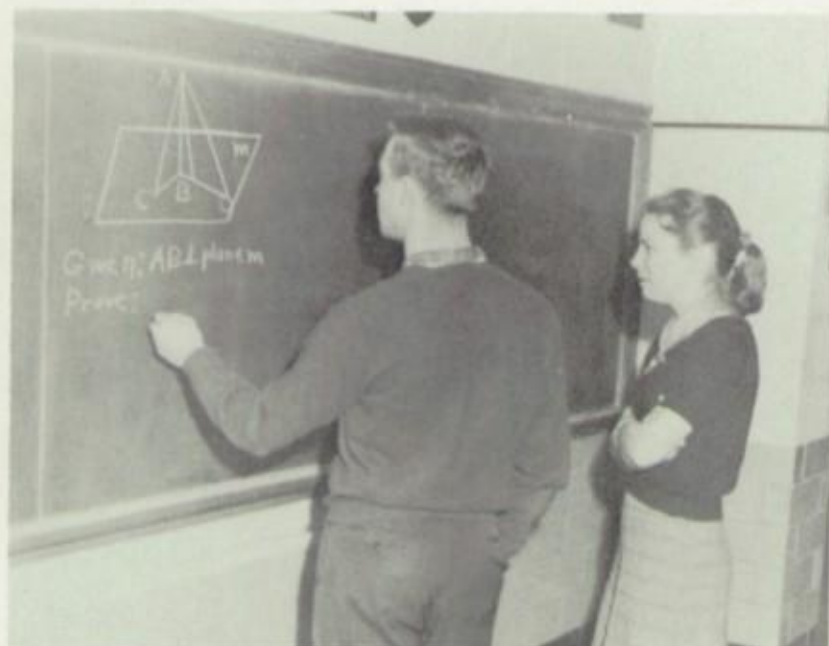

Get back in that locker, Carol!

Brian Brewton shows our Seniors how to set off a false alarm.

Bobbie Jean Early and Ann Freeman look through the office files.

Judy Aierney looks puzzled over a trig problem. I wonder why?

Clinton Smoke and Jim Campbell are hard at work counting Annual money.

Shearin Grubbs seems to have the "know how" on the latest hair styles during Comet Show try-outs.

Butch Barr and Jerry Clarke really get the idea about our Clean-Up Campaign.

Mary Evelyn Kokinis purchases those much use books from Alfred Kuntz in the new bookroom.

Now we know who made all of the marks on our new sidewalk!

Bill Thornton and Doug Ballard get down to the more serious side of matters.

January Graduation

Activities of the January Senior Class began with Baccalaureate Services on January 20. The Granby Chorus rendered two anthems, and the sermon was given by the Chaplain Paulson.

The Class Night and Prom, both held on January 23, had as the theme—"An Evening in Paris." Music was furnished by Lou Sacks and his Orchestra.

Graduation on January 24, was the highlight of the three day activities. As the graduates solemnly walked across the stage in their white and blue caps and gowns, many a tear was shed and many a memory was brought sharply into focus.

Class Night

Seated at the head table enjoying their dinner are Bill Morris, Miss Virginia Brinson, Mr. Jim Campbell, Mr. Elmer Tarroll, Mr. Donald Griffin, and Mr. Edwin Lamberth.

Thanksgiving Day means the annual clash between Maury and Granby.

Preceding the game Miss Comet, Joan Atkinson and Mr. Commodore, Kirkie Harrison, were presented trophies by the acting principal of Maury High School.

At half-time the combined bands and the Granby Drill Team presented a show centered around the theme "South Pacific."

The game itself was a very exciting one—although we were defeated by a score of 13 to 6.

Joan Atkinson, Miss Comet, receives her trophy from Mr. Rufus Tonellson, acting principal of Maury, as Kirkie Harrison, Mr. Commodore and Mr. Tarrall look on.

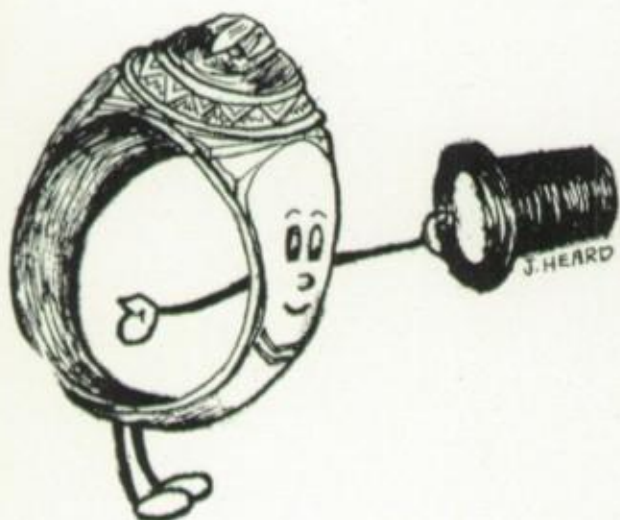

Looking anxiously at the referee to see who gets the toss are left to right; Dean Price, Harvey Shiflet, referee, Ray Clyburn and Henry Morgan.

Going over for Granby's only touchdown of the day is Harvey Shiflet (10), aided by Nick Harrison (49), and Ronnie Byrd (28).

The Granby Band, Drill Team and the Maury Band perform their half-time show with much splendor.

The Blue Comets began the 1956 season with five consecutive wins over Princess Anne, Suffolk, John Marshall, South Norfolk and Cradock. This winning streak was broken by the Defending State Champions, Norview. With such a loss as this the team had its initial setback of the year. But in the following weeks the Comets came back to tie a very strong Hampton squad, and to beat Newport News. Traveling to Wilson for the next to the last game, the team ran into difficulty against a very hard foe. The loss at Wilson seemed to have a great effect upon the Comets' traditional Thanksgiving Day Game. Maury, the underdog of that game, came alive and surprised the entire Granby team with an unexpected win.

Varsity Basketball

Under new coach Driesell, Granby's courtmen began the best season since 1947. After winning the first three and dropping one the team began a twelve game winning streak, only to be beaten by a powerful Newport News squad. Completing the season with a 15-6 record, Granby placed third in the Eastern District and was crowned city champions, having defeated Norview and Maury twice. Outstanding players on this quint were Leo Anthony, who set a new school gym record of 38 points in one game and averaged 23.5 for the season. Ronnie Byrd was nominated All Eastern District Second Team, Joe Clarke, the best all round defensive player, and Bill Brown and Bill Brock lead team in rebounds.

Student Government Officers and Senate members take advantage of our first snow by building a snowman in front of the school.

Composed of two divisions, the Granby Student Government resembles our national government. The problems of student life are taken to these bodies who strive to work for the good of every Granbyite.

The first of the divisions is the Senate. It is made up of the Vice-President, Secretary, and Treasurer of the student government and the President and Senator from each class and is presided over by the President of the student government. Leading the House of Representatives, which consists of a representative from each homeroom, is the Vice-President.

Because of able officers and the excellent advice rendered by Miss Mary Lee Tillette, the student body has been able to enjoy many things. This year Granby has initiated its own radio station, W.G.H.S. Other projects under the Student Government are: Honor Code, Morning Devotionals, Clean-up Campaign, and HOWDY week.

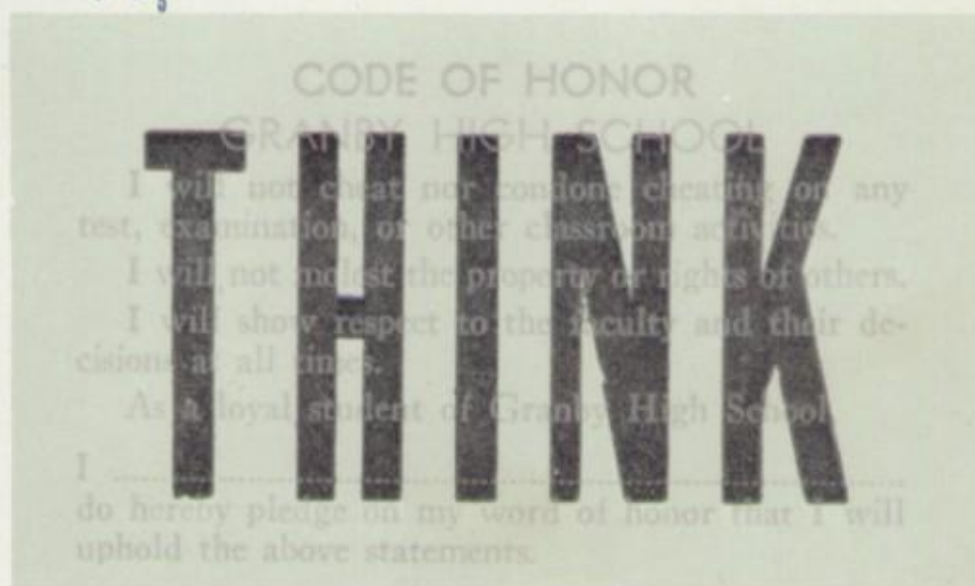

The Student Senate approves Christmas by a unanimous vote.

Hi ya zls!
We've had a lot
of fun this year but just
wait till next year. I am
going to try to straighten you
out cause you've been
getting real BAD.

Key Club

Instilled in the heart of every Key-Clubber is a spirit of service—service to God, to the Nation, to the school and to the community. Every year the members of the Granby Key Club, under the sponsorship of Mr. Cloonan, polish trophies, sponsor Vocational Guidance Day, furnish a one hundred dollar scholarship, sell drinks at sports events, donate to CARE and Joy Fund, and have their traditional "Grass Festivals" on the front walks.

This organization, one of Granby's oldest, successfully continues to develop leadership among its members for the school and community.

Junior Y-Teens

A project this year was the gathering of clothing for Koreans.

The Junior Y-Teens is an energetic group of Granby Junior High girls who devote a large part of their time to helping others in many ways. This club, a junior organization of the Young Women's Christian Association, is an international organization of three F's—fellowship, friendship, and fun. The motto of the YWCA means a great deal to these junior high girls all of whom strive "to face life squarely, and to find and give the best."

The Y-Teens is a growing organization of young women affiliated with the Young Women's Christian Association. Members enjoy spending weekends at the "Y Camp" and at Christmas and helping less fortunate girls.

Through the "Y" girls have many opportunities to work with people of all races, nationalities, and creeds.

Y-Teens gives girls a chance to grow by accepting responsibilities and having to give a little extra time and work to do a good job; by strengthening their ideals, standards and convictions through living, working and having fun in the right way.

Cue Club

The cast of "It's Tough to be Rich" take time out from strenuous rehearsals.

A common interest in the theater motivates the members of the Cue Club. Each year the members meet and solve the problems of presenting plays; casting, rehearsals, costumes,

opening night. Even though all members do not become professional actors, the training received is valuable throughout life.

National Thespians

The National Thespian Society is an honorary organization for experienced members of the Dramatic Club. The members of Granby's Troupe 237, sponsored by Mrs. Anne Treakle, stage a one-act play each spring and present it after school. All casting and directing responsibilities are assumed by the student director under the supervision of the sponsor.

The highlight of the year is the initiation program in which two or three new members are inducted in a candlelight service. The members must have ten points, based on the dramatic experiences, to join.

Drill Team

"5-6-7-8!" chants the Drill Team at eight o'clock in the morning. Resulting from such numerous practices, are the parades and the performances at the football games. In their new blue skirts and bright yellow sweaters, about sixty-four girls make formations for the spectators while the band plays. During game time, the members cheer our team on to victory.

The Drill Team is a tradition of Branby and is much older than those of other schools in this area. We are proud of such a fine organization.

The Drill Team performs with the Granby and Maury Bands at the Thanksgiving Day game.

Future Nurses Club

*Best Luck
to a nurse
to a girl. Doris Patterson*

Susan G. Saunders, Club Sponsor

This club is designed for girls who have the ambition to become nurses. Trips to the various hospitals, medical schools, and state institutions give the future nurses a better insight as to what awaits them in the future. After completing a six months' course which is taught at De Paul Hospital, the girls receive their caps and uniforms at an impressive capping ceremony and are qualified to work on the halls as Nurses' Aides. Through actual experience, these girls are able to find out if they are really suited for nursing.

Even in their sleep the members of the COMET STAFF hear typewriters clicking away and visualize themselves frantically rushing to complete the dummy copy of the Annual in order to meet their deadline. Sleep becomes a nightmare of unidentified pictures, insufficient ads, and unwritten copy for organizations.

However, the staff's nightmare doesn't last forever, for by April the last multiple is sent to the publisher. At long last the COMET is in print. Now it is up to the students themselves to decide whether this publication is worthy of its name, and the school it represents.

Art Club

If you enjoy painting, modeling in clay, designing or doing other interesting projects of the Art Club, it will be worthwhile for you to join this organization. Members have a challenging opportunity to express their creative talent and to help increase interest in art among the Granby students. The club's activities include making posters for school dances and activities, helping with the Comet Show's scenery and working to further each individual's knowledge in the field of art he likes best.

The Monogram Club

One of Granby's oldest organizations, the Monogram Club, is composed of the winners of our prized "G". Members are those boys who have contributed to the different sports of Granby. Not only does the club contribute to athletics but also to the social life of Granby. Among these activities it sponsors the annual Turkey-Hop Dance given in honor of the Thanksgiving Day Granby-Maury classic.

The Monogram Club members serve the school in many ways.

Bible Club

"...a time to be born, and a time to die; a time to plant and a time to pluck up that which is planted..."

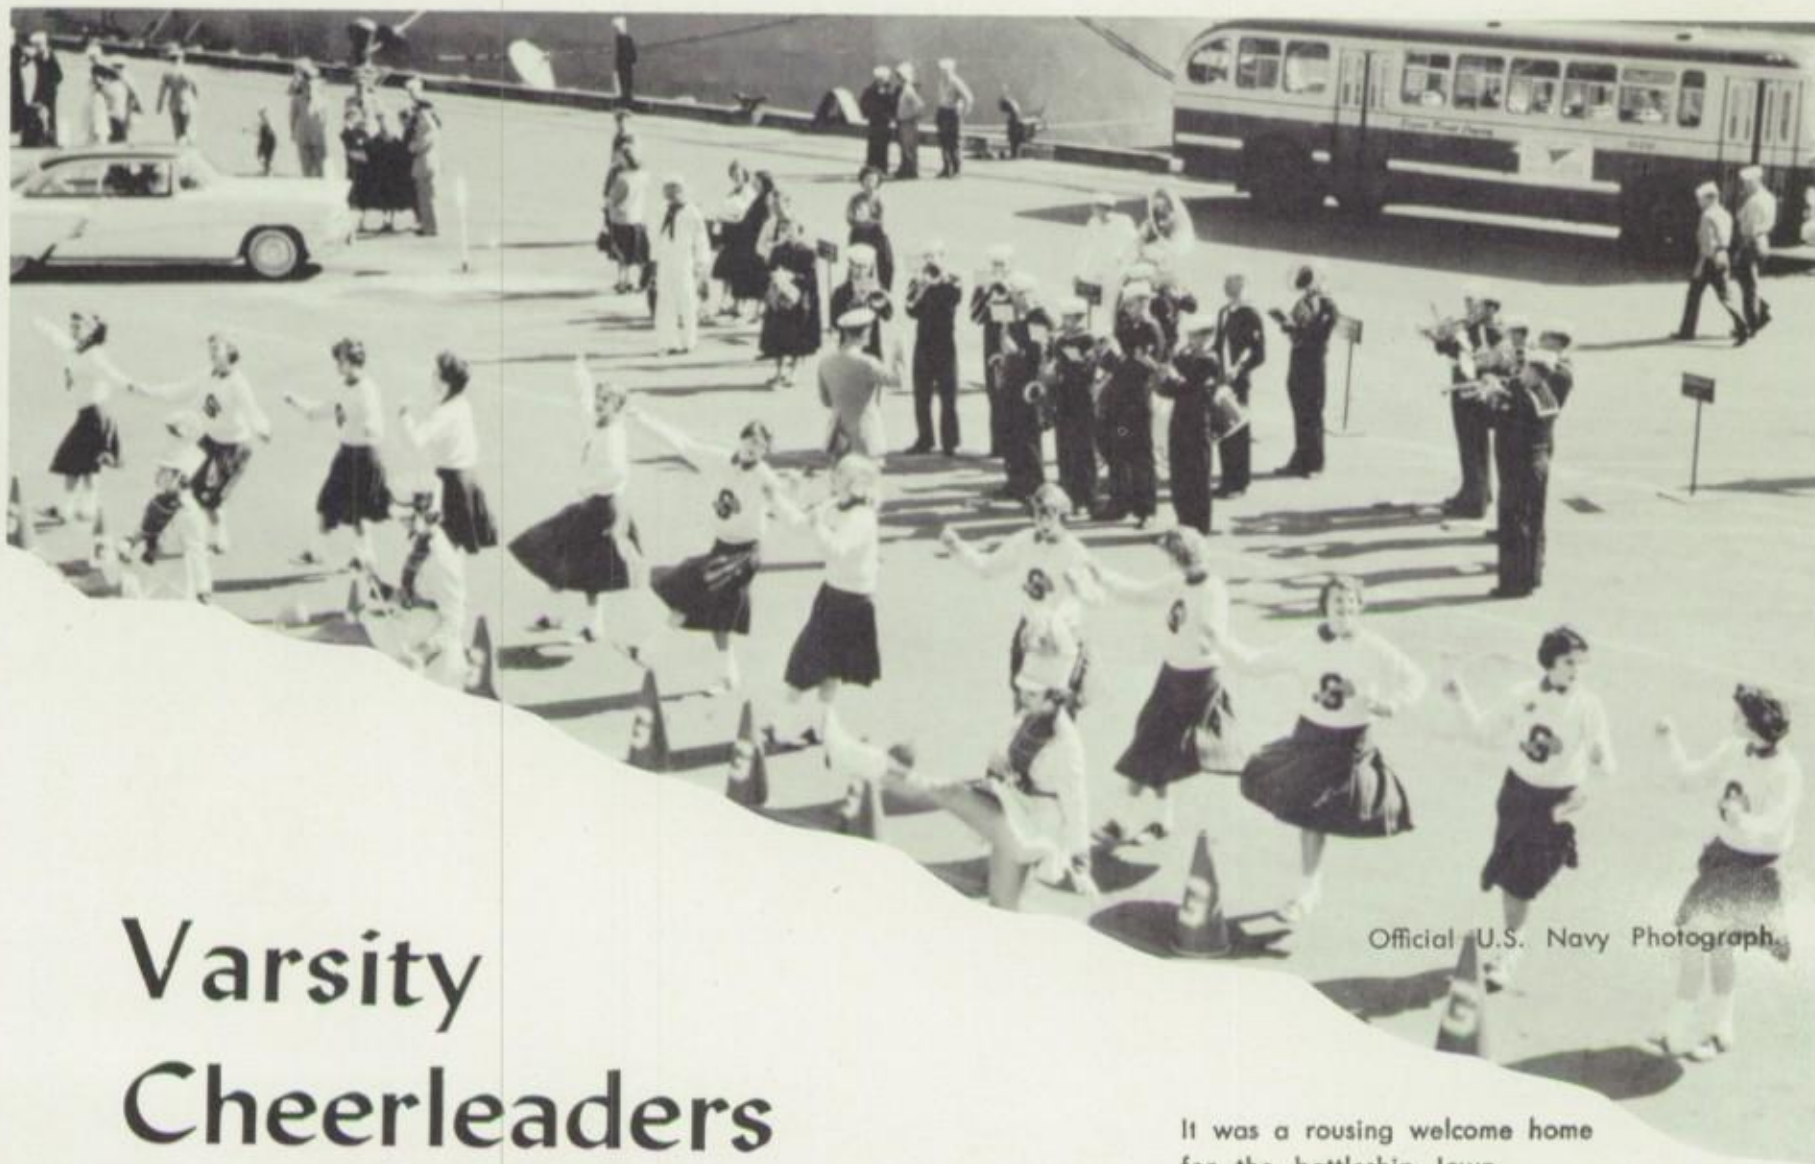

This is a passage very well known to all the members of the Bible Club which meets every Friday morning at 8:15 a.m. Activities include

singing hymns, praying, and studying the Bible. The club is directed by Miss Hutchings and any student at Granby is eligible for membership. Bible Club members seek to begin their day with a better understanding of God's word.

The Bible Club members enjoy singing hymns.

Varsity Cheerleaders

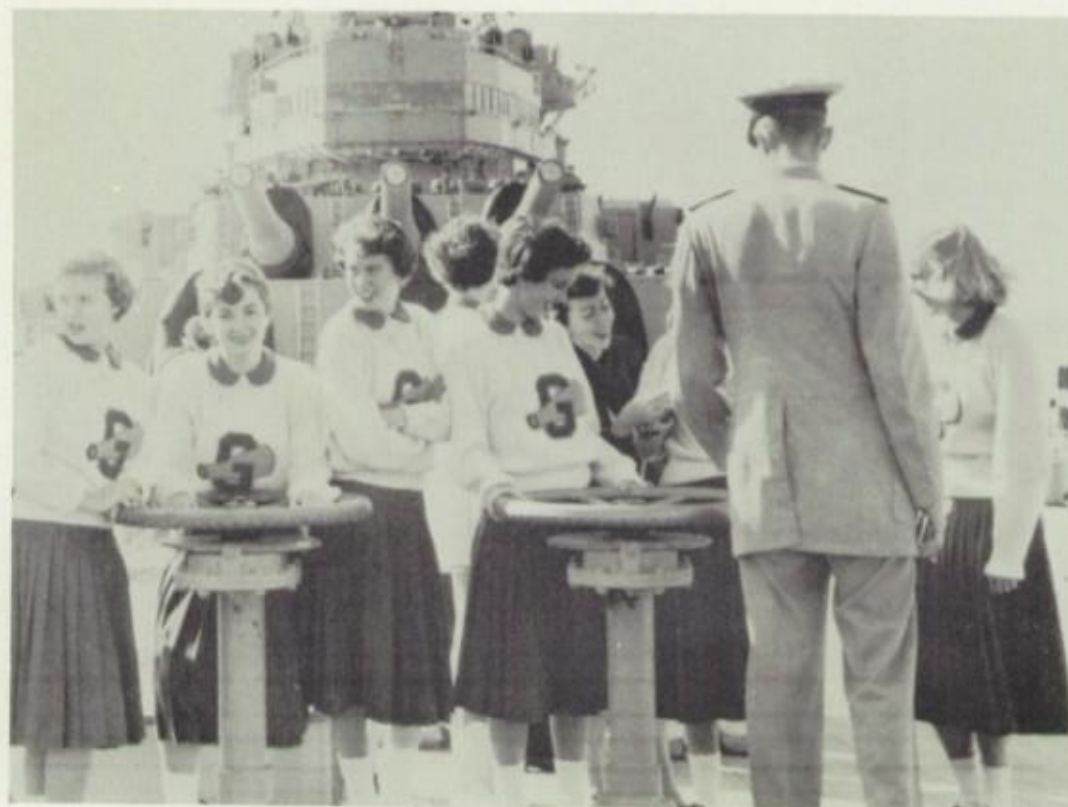

It was a rousing welcome home
for the battleship Iowa.

"Give us a G-R-A-N-B-Y!" is a familiar yell carried on constantly during football and basketball games. The cheerleaders give many hours of practice from fall until early spring. These twelve girls with bright smiles and peppy cheers lead the student body in supporting our teams. Their royal blue skirts, white sweaters

with monograms, and large megaphones lend a colorful atmosphere to the sidelines.

Among their activities in addition to cheering, the cheerleaders decorate the goalposts at the home games and, sponsored by Miss Culpepper, plan Thanksgiving activities.

Junior Varsity Cheerleaders

One of the most important phrases of our sports activities at Granby is the spirit behind the players. With their, "Let's go big team let's go," the Junior Varsity Cheerleaders help in letting the team know the strong feeling of confidence backing them in every play.

Many afternoons the cheerleaders may be found perfecting their energies to urge our teams on to victory.

Through the co - operation of the cheerleaders, student body, and, of course, our teams, many victorious games have been played and many are predicted for the future.

Le Cercle Francais

"La seance du Cercle Francais est ouvert," with these words another informative meeting of Granby's senior French club gets under way. This club was organized that students in second, third, and fourth year French could meet and speak the French language, sing French songs, play games, and learn as much as possible about France and her people.

Each Christmas the members of Le Cercle Francais give a tea at which time by giving a religious program and many songs in their "native" tongue they entertain their faculty, their parents, and friends.

Members of Le Cercle Francais gather around the piano to sing Christmas carols.

Hi-Y

George Williams Chapter

Here we see members of the Hi-Y enjoying their annual banquet.

"To create, maintain, and extend throughout the home, school, and community high standards of Christian character." This is the motto of The George Williams Chapter of the Granby Hi-Y.

Its members have established a long record of service to the school. The chapter sponsors several dances each year and highlights its program with the annual Christmas basket collection in the homerooms. Under the capable direction of Mr. Cook, this organization has the respect of all those at Granby.

Pan American League

Club members take turns at trying to break the pinata at their annual Christmas party.

This organization composed of Spanish students helps the members to become acquainted with our friendly neighbors of the South. At the meetings members learn gay folk songs, give plays, and keep up with Latin-American current events. The Christmas meeting is the gayest of the year, featuring the breaking of the pinata, a decorated earthen jar filled with sweets of all kinds.

Also every year on Pan American Day, members have a program and invite the representatives and consuls of the Spanish speaking countries. In recent years the club has presented a Spanish movie to the student body.

 "I can't make this headline count out right."
 Have you ever passed Room 212 during a busy
 afternoon and wondered what these com-
 ments meant? Have you ever looked in and
 seen people hurrying about, not knowing ex-
 actly what they are doing? It is only the
 SPECTATOR Staff busily trying to meet their
 deadline which always seems to come too
 soon, for the paper rolls off the presses every
 three weeks.

Two staffs of the SPECTATOR: the Editorial
 Staff, whose sponsor is Miss Anna Rydingsvard;

Band

The Granby Band consists of 78 musicians, including soloists and various instrument groups. Always ready to add a touch of color to school activities, the band plays at pep rallies, assembly programs, and all home football games. Parades, District Contests, and All-State competitions as well as an Annual Spring Concert are also participated in by the band. This year the Granby Band will go to Maryland to present a joint concert with the Silver Springs H.S. Band. Senior Chorus

Mrs. Eleanor Walden, Senior Chorus Director.

Sopranos, altos, tenors, baritones, and basses, all blend together under the able leadership and direction of Mrs. Eleanor Walden. This group, the Granby Senior Chorus, has presented many excellent programs at school and around the Tidewater area.

Among the outstanding programs given for the student body at Granby are those at Christmas and in the spring. Because the spring program is presented at night and is open to the public, it has become The Evening of Music.

The Girls' Sexette and The Madrigals are two of the smaller groups composed from this body of one hundred and six voices.

 and the way you fished at I know
 made us practice new ones as good as
 we would have skill even better today. We should
 we were, and we been, especially Friday night.
 we could have had fun today. We should
 send my parent's aut of town and you'll
 have to come and sign off, can't think of any-
 thing else to say. So -
 Good-bye always -
 Love,
 Joanie
